SNOWSPORT WALES

The primary purpose of The Snowsport Wales is to serve the needs of its membership in developing skiing & Snobboarding in Wales. Membership benefits of Snowsport Wales are not just for the racers, coaches and clubs. In fact all participants can benefit immediately, recovering the cost of their membership, through discount schemes and inparticular by taking out your holiday insurance through Snowsport Wales. By joining the Snowsport Wales, not only can you be kept in touch with what is happening in skiing throughout the whole of Wales, you do so in the knowledge that you are contributing to ski sport in wales, and get the opportunity to save some money at the same time.

What else does Snowsport Wales do ? Here is just a short summary of what Snowsport Wales is and does,

is the governing body for skiing in Wales, made up of its membership of Clubs, Individuals, Schools, and Company Supporters, and is recognised and supported by the Sports Council for Wales.

encourages and offers advice on the development of ski clubs, helping them to get the most from their sport, developing their coaches and liaising with other clubs and putting them in touch with local facilities.

is a constituent member of the British Ski Federation which is the central governing body for skiing & snowboarding in Great Britain, organising and training teams which compete internationally at Olympic Games and World Championships.

organises and trains the Welsh National Ski Squad, choosing representative teams for international events both at home and abroad. We also organise regional and local development groups targeting talented young skiers.

organises events at national, regional and school levels.

organises a coaching scheme which encompasses all grades of skiers from beginners to experts and racers. The scheme provides instructor training and assessment facilities, aiming to provide top quality coaches, race official courses to serve at the many standards of races run, and registers racers who wish to race in regional or national races, giving them access to seeding and international races.

is involved in an advisory capacity for the development of new artificial slopes involving both artificial, snow and grass slopes.

is responsible for the management of Ski Centre Cardiff, a 100 metre artificial slope providing an all year round facility for all standards of skiers & snowboarders.

Take the opportunity to contribute to your sport and participate in one of the fastest & most exciting sport in Wales !
